193B—2.1(544A,17A) Application for registration. Applicants for registration are required to make application to the National Council of Architectural Registration Boards, 1735 New York Avenue Northwest, Washington, D.C. 20006 for a council record. A completed state application form and a completed council certificate record shall be filed in the board office before an application will be considered by the board. If prerequisite to examination, the state application form and the council record shall be filed in the board office prior to the date scheduled to take the examination.

2.1(1) The board, by approval of three of its members who are registered architects, may waive examination requirements for architects registered during the current year in another state or country where the qualifications prescribed at the time of registration were equal to those prescribed in Iowa. For the purpose of determining substantially equivalent qualifications, applicants shall be deemed to have met the “Training Requirements for Intern-Architect Development Program (IDP)” requirement regardless of the date of completion of the required experience, provided the experience was completed prior to filing an application for Iowa registration. The board shall find probable cause for disciplinary action if the registrant’s registration in any other state is revoked for statutory reasons or incompetence.

2.1(2) Except as provided in the preceding paragraph, to qualify for registration, all applicants shall pass all divisions of the “Architect Registration Examination” (ARE) prepared and issued by the National Council of Architectural Registration Boards (NCARB). Applicants who have previously passed any portion of formerly required NCARB examinations will be granted credit for those portions passed in accordance with procedures established by NCARB. Divisions of the examination may be passed or failed separately in accordance with procedures established by NCARB.

(1) The board shall give notice by certified mail, return receipt requested, to the holder of an authorization who has failed to renew the authorization. If the holder fails to renew within 30 days of receipt of the notice, the certificate of registration shall be canceled.
